

X5'S VPROK.RU ONLINE HYPERMARKET LAUNCHES DELIVERY WITH YANDEX EATS AND DELIVERY CLUB

Moscow, 6 March 2023 – X5 has expanded its partnership with the leading online delivery aggregators Yandex Eats and Delivery Club to offer delivery of food and non-food items from X5's Vprok.ru online hypermarket. Users of both partner services can now access Vprok.ru's extensive product assortment spanning more than 45,000 items, including groceries, household goods, pet supplies and beauty products.

Delivery is available to residents of Moscow and St Petersburg. The new partnerships are driven by a marketplace-based model: orders will be fulfilled at Vprok.ru dark stores and delivered by the hypermarket's staff. Users can choose the most convenient two-hour slot available for delivery.

The delivery fee will depend on the ticket size and current demand, with a minimum order amount of RUB 1,500 for Moscow and RUB 1,000 for St Petersburg. Delivery is free for orders starting from RUB 3,000. Prices offered by the partner services will not exceed those in Vprok.ru's own channels – the Vprok.ru mobile app and website.

X5 earlier launched partnerships with Yandex Eats and Delivery Club to deliver groceries from its Pyaterochka and Perekrestok retail chains. X5's express delivery is currently available to residents of more than 140 cities. Both Yandex Eats and Delivery Club now offer delivery from a total of 4,469 X5 stores (including 50 dark stores).
